BUY BONDS WITH CREDIT UNION LOAN

The Seventh War Loan Drive is all over but the war is still going on. Billions of dollars of equipment will be needed to beat the enemy.

You can do your part by buying bonds until it hurts.

The Credit Union offers an easy plan to all REA employees who want to help end the war as fast as possible. Make a loan from the Credit Union to buy an extra bond and pay for your bond out of your income. Your bond pays interest from the first day of the month in which it is issued.
